

PREMIER PROFILE:

CHAD OURSO

HOME: Orlando, Florida

AGE: 40

PROFESSION: Vice President of Sales, Insurance

LATEST ACQUISITION: 2018 Audi R8 Spyder

WHY THAT CAR: Audi makes a solid exotic car, with great all-wheel drive, acceleration, engine notes, and a Spyder option.

ASPIRE TO OWN: I miss the Ferrari 458 I sold at the top of the market. I hope to acquire another 458 or 488.

PET PEEVE: Lack of respect for someone's time

KEY TO SUCCESS IN ANY BUSINESS: Persistence. Many will be smarter, or work harder. Few will succeed more than a smart-hard worker who shows up every single day.

PERSONAL PASSION: I have a passion for food and my faith. Growing up in Louisiana, I learned how food connects family and friends.

SOURCE OF INSPIRATION: My grandfather started his insurance firm initially to feed his family. Through hard work, personal education, and never giving up, he built it into a successful conglomerate that will leave a lasting legacy.

WHY LEASE WITH PFS: They make complex transactions simple. Premier walks you through each step to make it a fun experience...as it should be!
