STEPHEN SERIO

HOME: Milton and Edgartown, Massachusetts

AGE: 62

PROFESSION: Rare and classic car consultant

CURRENT CAR: 3 daily drivers, including a 2021 Mercedes Benz G550

WHY THAT CAR: It's the best driving SUV I've ever owned. Great for hauling kids and dogs, and for winter driving.

CAR YOU ASPIRE TO OWN: If I won the lottery, I'd chase a Ferrari 250 GT SWB SEFAC.

ADVICE FOR SERIOUS COLLECTORS: Buy the best example of what your budget will allow, and don't let your cars own you.

GREATEST BUSINESS ACHIEVEMENT: Running a new car business that was coupled with a vintage car consultancy, which is a rare accomplishment.

PERSONAL SOURCE OF INSPIRATION: A heavy dose of George Carlin, who always told the truth.

WHY LEASE WITH PFS: PFS is always professional, prompt, courteous and fair, which is a rarity today in the financial services industry.
